

SYED MOHAMAD ARIF

SAYED MOHD ALI SAIPUDDIN

PROFILE

BACHELOR OF INFORMATION TECHNOLOGY

I am an IT student majoring Information Technology seeking an internship in field of Information Technology and Multimedia Design, where I can apply all my skills and my knowledge for continuous improvement

SELF EXPERIENCE

Mobile Application Development (FYP)

January 2020 - Present

My teammate and I are currently developing a mobile application using React, React native, and Firebase. For the platform, I used Visual Studio Code and Android Studio to run the application.

Storyboard Animation (Multimedia Subject)

November 2019

My team and I developed an animation for the storyboard of our own story. I used adobe animate, adobe illustrator, and adobe photoshop to finished this project.

Game Development

September 2018

I have been assigned to create the characters and background using adobe illustrator, photoshop, and adobe animate for this game development project. It is a simple game like Mario
